I understand that I must enroll my child at Raines High School once they are accepted into the program. **I agree that my child will complete graduation requirements at RHS and will not be re-enrolled at the home campus. Students applying for RHS committee acceptance will be notified by the home campus counselor as to the RHS Acceptance Committee decision. The committee considers age, at-risk factors, and prior student success, as well as information provided by parent/student and the home campus counselor.**

PARENT SIGNATURE _____ DATE _____

1. It is **mandatory** for parent to come to initial interview-enrollment.
2. Consistent attendance is mandatory. Excessive absences will result in being dropped from program or referred for GED. All students must arrive on time. When a student has accumulated 3 tardies, he/she will be assigned 1 hour of detention. Student's parent/guardian is required to notify campus prior to a day of absence. Student must provide written documentation regarding excused absence. Ninety (90%) percent attendance rule applies; students not in compliance can be denied credit for courses during that period and be filed on for truancy.
