

Hey Bears,

This is Mr. Vierling calling with a few announcements. First, we are really struggling with our school-wide magazine fundraiser. If at all possible, encourage your kids to sell a few magazines and turn in their forms no later than Friday of this week. You can order online too, at www.readingathome.com use code number 134287. Remember that over the last few years most of our fundraising money has been dedicated to buying the Smart Boards that you see in your science and math classes- we hope to add more!

Second, the Community Pep Rally will be held on Friday, October 2, 2009. The event will feature free hot dogs, drinks, and desserts for everyone! It will also include a pep rally to introduce the volleyball and football teams, and performances by the band, choir, and cheerleaders. The food starts at 5:30pm and the event will end around 7:30pm. Hope to see you there!

Finally- if you were at Open House, you already know about School House Partners. This is a rebate program that we are participating in this year that provides home improvement services from some of the finest companies in Houston. In return, you get a nice discount and the school gets some money as well. Please visit www.myschoolhousepartners.com or call 877-300-3098 for more details. We've already had quite a few service calls and the feedback has been VERY positive!

As always, if you have any questions, please let us know!

Go Bears!
