

We are still in need of **bi-weekly or monthly volunteers** to help us fill the advisory classes listed below from 1:55 – 2:35. Simply covering an advisory class (no instruction time) enables the teacher to meet with his/her mentee on a regular basis! Alongside the names below are the needs we still have. If there is nothing listed next to the teacher's name, we do not have any volunteers for that class. If you can help out and volunteer please contact Bonda Snyder (Beck's parent volunteer coordinator) at bbtsnyder@consolidated.net . If you have further questions, please feel free to contact the school at (281) 237-3300. Thanks again for your help.
