Dear Principal Ricks,

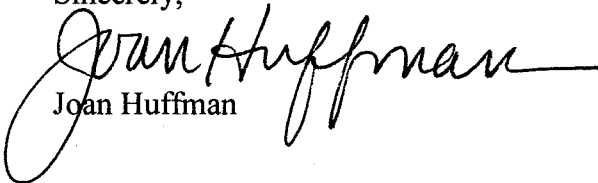

I want to take this opportunity to congratulate you, the entire faculty, and the student body at Diane Winborn Elementary School on achieving an Exemplary School Rating from the Texas Education Agency for 2009.

Over the past several years, Katy Independent School District has consistently improved on the number of schools rated as Exemplary and Recognized, and the efforts of Diane Winborn Elementary have been an integral part of that success. Your entire student body and faculty should take pride in this exceptional accomplishment.

As a state legislator and as a mother, I understand just how important it is we equip our children with the best education possible, so they may succeed in whatever endeavors they choose. I am proud to know that Diane Winborn Elementary is committed to building a bright future for its students.

Again, congratulations on this accomplishment, and I wish you continued success in achieving academic excellence.

Sincerely,

Joan Huffman
