

Katy Celebrates Bus Safety Week

In honor of National School Bus Safety Week, October 19 – 23, Katy ISD would like to alert parents and students about bus safety. This year's theme, ***Avoid Harm, Obey the Stop Arm*** emphasizes the importance for drivers to follow the rules of the road and stop when the red lights flash, the stop sign deploys and children are getting on and off the bus. The stop arm requires drivers in all states to stop. Safe crossing for students will also be emphasized.

Katy ISD works at teaching children about bus safety year round through the Katy the Bus puppet show and program for grades K-3rd. We are continuing to spread information by providing links to various bus safety websites. Please join us in celebrating bus safety week by sharing bus safety information with your child.
