

Before and After School Library Hours

The Katy Elementary Library will be open **before school at 7:30 on Tuesdays and Thursdays and after school until 4:10 on those same days.**

Students are allowed to come to the library before school at 7:55 on any school day. During these times, students may take AR tests, read, do research, or check books in or out. Students do not need special permission to come to the library before school, but parents must sign a form like the one below **EACH TIME** a student stays after school. When your child stays the first time, he/she will be given a sheet of forms to be used on other occasions. These forms are shown to the homeroom teacher and then brought to the library so that both the library staff and the teacher know where the student is to go in the afternoon. **Students must be picked up at 4:10 PM at the front door. Failure to do so will result in the loss of this privilege.**
