

# Katy Elementary PTO Family Membership Form

Family and community involvement is a vital key to the success of a school. One way you can become involved in our school is to become a member of the **Parent Teacher Organization (PTO)**. Your membership in this essential organization indicates your support of the school and reinforces to your children that you believe in the importance of education.

Membership dues for a full year are only \$5.00 per couple or \$3.00 for a single adult. Families only need to pay for one membership regardless of how many children attend KES. Grandparents, relatives and friends are also encouraged to join the PTO to show their support and be involved at KES. All of the money collected for membership and from PTO fund-raisers stays right here and is used to benefit our children.

Let's make the 2007-2008 school year the best by beginning with the largest PTO membership ever! Please return the bottom portion of this page along with your dues. If you can have your money into the school by October 1, 2007, it would help the PTO allocate funds.

Thanks in advance for your support.
