

Gator Family:

I would like to express the deep honor that I feel in being able to serve as principal of Mayde Creek Junior High School. It is an honor and privilege to join a community with such a well-established reputation for placing high value on the education of its children. We have a fantastic faculty and staff that believe in building positive relationships with students. We also believe in doing “whatever it takes” to ensure that all students are successful.

We are excited about celebrating Mayde Creek Junior High’s 30th anniversary! Our celebration theme for the year is “Three Decades of Memories Mayde at the Creek”. As a principal, my goal is to maintain and strengthen our tradition of excellence by continuing to foster a safe and secure learning environment where students are actively engaged in meaningful work. We will also continue our commitment to learning how our students learn and making instructional decisions based on student data.

We want all students to enjoy coming to school, embrace Gator traditions and recognize that they influence what happens to them each day. Please encourage your student to get involved in at least one extracurricular activity or club. MCJH students may choose to participate in band, orchestra, choir, theater arts, career and technology and many other programs. Additionally, we have phenomenal athletics and intramural sports programs.

As a campus, we look forward to partnering with you to provide each MCJH student the opportunity to develop individual abilities in order to become a productive and responsible member of society. As parents and guardians, we ask that you help us by asking your child each day for a summary of what they have learned, join us at parent conferences and school events, and become a member of the Parent Teacher Association (PTA).

I look forward to meeting you. Please do not hesitate to ask if there is some way we can serve you in your efforts to ensure that your child’s years at Mayde Creek Junior High are the best and most successful they can be.

Sincerely,

Tory C. Hill

Principal

Mayde Creek Junior High

Three Decades of Memories Mayde at the Creek
