

Wisdom: The Bullies to Buddies™ Solution to Bullying

A Presentation for Parents

In this one-of-a-kind presentation, Izzy Kalman, Director of Bullies to Buddies, Inc., will use entertaining role-plays to show why kids get bullied and how they can use simple wisdom to make the bullying stop —without anyone’s help and without getting anyone in trouble. He will also demonstrate how most of the bullying that happens between kids, both at home and in school, is actually caused by the attempts of adults to make kids *stop* bullying each other. Even better, he will show you how parents at home and teachers in school can dramatically reduce bullying among kids by doing *less* rather than more! Your lives will become easier, and your children will grow in emotional maturity, self-confidence and resilience. www.Bullies2Buddies.com

If you want your kids to get along better, you won’t want to miss this presentation!
