

Introducing the:  
**MPE Birthday Book  
Club**

Here is a fun way to celebrate your birthday by donating a book to the school library! Watch our shelves fill with new books that you will love! Just follow the directions on the next page, and a book will be in the library with your name and birthdate in it!

Anyone can participate in this program: parents, aunts, uncles, grandparents, etc. You can do your share to help the MPE Library grow. The library staff and volunteers look forward to sharing the excitement of your child's birthday and other special events in this thoughtful way.

If you and your child would like to participate in this program, please complete the attached form and follow these directions:

1. At the beginning of the school year, please send a check for \$10 (to assist with the cost of the book) and the completed form to the library. The check should be made payable to **Memorial Parkway Elementary School.**
2. At least two to three weeks before your child's birthday, we will have him/her come to the library and select a book.
3. A book plate will be placed in the book indicating that the book was donated in your child's name in honor of his/her birthday and will include the date.
4. During the week of your child's birthday, the donation will be recognized on the morning announcements. The birthday boy or girl will receive a donation dogtag and the book will be checked out to him/her.
5. If your child has a summer birthday, please consider choosing a date during the school year to honor him/her. A popular date is 6 months into the year-- a half-birthday.

**Please complete the form below and return it to the library with a check for \$10 as soon as possible.**
