

Katy Independent School District Sponsored Physical Examinations

The Katy Independent School District offers athletic physical examinations annually. Although KISD recommends the use of your family doctor for the physical examination, the following mass screenings are available as an economical convenience for its patrons. KISD sponsored physical examinations will be performed by the Medical Colleges of Texas at a nominal fee of \$25. The medical history portion of the Preparticipation Physical Evaluation must be filled out in its entirety before the Physical Examination is administered. A notary will be on site to notarize the Consent to Treat Cards for a \$1 fee.
