## **Reading Program at Kilpatrick!**

The 2x2 Reading List is a product of the Children's Round Table, a unit of the Texas Library Association. Each year the 2x2 Committee creates a list of 20 recommended books for children age 2 to grade 2.

At Kilpatrick, students who read five of these titles can receive a special 2x2 dog tag! Complete the back of this form by coloring in the spaces which match the books you've read. Bring the form to the OKE library to receive the tag!
