Screening for Gifted and Talented Program

Information regarding screening of kindergarten students for the gifted and talented program was sent home with kindergarten students on September 22. Kindergarten parents who would like to refer their child for screening must return the Kindergarten Parent Checklist to Pattison by October 16.

Three GT information sessions will be held for parents of kindergarten students. All three sessions will take place on October 8: 10:00 AM or 1:00 PM at the Katy ISD Education Support Complex or at 7:00 PM at Polly McRoberts Elementary School. Kindergarten parents who would like more information about the gifted and talented program and the screening process may attend any one of the three sessions.

Attention Colt Chorale Parents!

Mrs. Elrod is in need of a Co-Chair to work with Leslie Turnage for the Pattison Family Night at the Aeros Game on Friday, November 20, 2009. The Co-chair would help Leslie advertise ticket sales for the Aeros Game on the night that Colt Chorale performs and would help her collect and turn in the money given. Please contact Mrs. Elrod at 281-237-4441 or christidelrod@katyisd.org! Please respond ASAP so we can send the Colt Chorale off to the Aeros Game with lots of family, friends, and school support!

Dial 2-1-1 for Flu Advice

Texans can now dial 2-1-1 to receive over-the-phone medical guidance about what they should do if they or a family member have flu symptoms.

The state's 2-1-1 health information helpline is now staffed with medical professionals who can provide information about managing flu symptoms and advice on when to seek medical care from a physician or emergency room.

For more information about flu in Texas, visit DSHS' www.TexasFlu.org.

Attendance

281-237-5455

Doctor Note Required

If a child is absent more than 5 days

If a child has more than 3 unexcused absences within 4 weeks, KISD will send a Warning letter home explaining attendance requirements.

Always send in a doctor note anytime your child sees a doctor

If you have any questions call Laura Fisher @ 281-237-5455

5th Grade Science Enrichment

Thank you all 5th Grade AND non-5th Grade parents who helped at our Physical Changes lab held recently. Everyone had great fun and learned a lot through this hands-on experience. The kids should be way more interested in bath-time now, with or without pepper!

Our next lab will be Chemistry on Friday, October 23rd - your chance to be a detective and discover mystery atoms, feel the thrill of electrons and be dazzled by a sparkling adventure at the end...

It is not too late to volunteer. Parent guides will be sent home for new volunteers.

Contact Sara Gerrard with any questions at 281-398-5136 or via email at phil-sara@comcast.net . Thanks again.
