RAINES HIGH Summer School

Raines High School summer coursework through computerized instruction is a self-paced program that will allow students to complete courses in order to fulfill graduation requirements.

The structure of this program provides students with an opportunity to earn up to 3 credits during the course of the summer program. This will allow students to be eligible for August graduation exercises.

Student Enrollment:

- ▶ There is no fee for this program. Applications are available on-line on the RHS website; the completed application should be given to the home campus counselor for approval..
- ▶ Each campus will forward completed applications to Raines High School. Applicants will be prioritized on the home campus based on the number of courses needed to graduate, attendance and discipline.
- ▶ Regular summer school attendance will be enforced. Students may be dismissed for nonattendance or for tardies.
- ▶ Students must adhere to the school dress code and behavior standards as outlined in the Katy ISD *Discipline Management Plan and Student Code of Conduct Handbook*. Students may be dismissed for unacceptable behavior.

Procedures:

- ▶ Students will be contacted prior to the first day of classes. Applicants not selected to begin on the first day of classes will be notified throughout the summer as openings become available.
- ▶ Students will complete courses listed on the application form. As soon as all required courses are completed, the student is finished. The student's transcript is updated and the home campus is notified.
- ▶ Students who complete graduation requirements are encouraged to take part in the KISD Summer Graduation. The date and time for this ceremony will be announced.
- ▶ Students who are unable to complete required courses by July 23, 2009 will return on August 24, 2009 to finish their classes and will become graduates as they do so. ***RHS applicants commit to finishing high school requirements at RHS and will not return to attend classes on the home campus. These students will take part in the fall semester RHS/KISD graduation ceremony.***

Summer Raines High School applicants must commit to completing all courses through Raines High School.
