

## King Elementary's Royal Friend of the Library

For only \$5.00, you can celebrate your child's birthday in a memorable way and help their school library continue to grow!

If you and your child would like to participate in this program, please complete the form on the back and follow these directions:

1. Send a check for \$5.00 (made payable to Robert E. King Elementary) and the completed form to the library staff.
2. One week before your child's birthday, have him/her come to the library to select a book.
3. A book plate will be placed in the book they choose indicating that it was donated in your child's honor for his/her birthday. The date of the birthday will also be included.
4. During the week of your child's birthday, the birthday boy/girl will be featured on the KBC morning news announcing the donation!
5. If your child has a summer birthday, please consider choosing a date during the school year to honor him/her. We don't want the birthdays of these students to go unrecognized!

Anyone can participate in this program: parents, grandparents, aunts, uncles, etc. Donating books in honor of a special teacher, friend, or family member can also be done – not just for birthdays, but other special events as well. We will be glad to assist you! The library staff looks forward to sharing the excitement of your child's birthday in this very special way! Your donation will be greatly appreciated and will be enjoyed by the students of Robert E. King Elementary for many years to come!

Happy reading!
