**GENERAL INFORMATION**

As related to the Portrait of a KISD Graduate, KISD wants to instill certain knowledge and traits in every student so that upon graduation they enter society as well-educated, good citizens.

One way to accomplish this is to highlight the importance of giving back to the community. The “Spartans out Serving (SOS)” program has been designed to achieve this goal.

SLHS students participating in this district program will:

- Observe that learning takes place everywhere
- Explore learning on their own
- Become active problem solvers and critical thinkers
- Become a resource to their community
- Become adults with feelings, values, and beliefs
- See the school as a helpful part of the community
- See the disciplines taught in school integrated into life’s work

The outcomes from this program are:

- Communication skills
- Leadership skills
- Reliable working skills
- A sense of caring and belonging
- Awareness of community needs
- Ability to follow directions
- Possess realistic ideas about the workplace
