Counselor's Corner

What is No Place for Hate?

- Introduced in 2001, to provide educators and students with resources to ensure that diversity education is part of our school curriculum.
- Helps create school environments where all students feel valued and have the opportunity to succeed by promoting respect for individual differences while challenging bigotry and prejudice.
- To qualify as an official No Place for Hate campus, every student and staff member must sign the Resolution of Respect pledge, which was made into a chain and is hanging in our cafeteria. They must also complete three school-wide activities that promote diversity education. Those activities are in the works!
- **Stephens Elementary** will be only the second campus in Katy ISD to become a No Place for Hate campus.

The Spotlight is on at *Stephens*

Pinwheels for Peace

The students at USE created pinwheels in their specials classes in order to promote peace. Once created, they held a parade showing off their beautifully designed pinwheels. A big thank you goes out to all the specials teachers for doing a job well done!

Buddies Not Bullies Presentation

Todd McKinney Productions was brought to Stephens Elementary on October 2nd by PTA. Todd McKinney took the students on a journey to discover the "magic" that lives inside each one of us, putting an emphasis on acceptance of everyone's differences.
