

Your Own PTA Website

- Step one: Buy your website name
Ex - www.godaddy.com
- Step Two: Find a host server
Ex - www.networksolutions.com
- Step Three: Find a program to build your site
Ex - Front Page
- Step Four: Take a deep breath and Have fun!

HINTS:

Do not be afraid to try something new.

www.fontfreak.com - I love this site for cool fonts.

www.cooltext.com - I love this site for cool banners, buttons, etc.

There are other great sites you can pull free clipart from and get great tips for your web site.
